THE BISHOP SPEAKS

Excerpt from The Olympia Churchman

It is particularly helpful for which the church stands to have the outspoken word of Dr. Robert G. Sproul relative to our treatment of the Japanese. Speaking for the committee of which he is the honorary chairman, Dr. Sproul says, "The Committee continues to combat the idea now being advanced, that evacuation is proof of disloyalty. Moreover, the Committee contends that since the Army ordered the evacuation, on grounds of military necessity, the Army should likewise decide when the process is to be reversed and the evacuees allowed to recover gradually their civil rights. When the Army decides that the time has come to take this step, and issues a proclamation as clear as the original orders for the evacuation, the Committee on American Principles and Fair Play will once again cooperate to the limit with the military authorities and the War Department. And it believes that every patriot who prizes his own civil liberty should do the same.

Sweeping generalizations and wholly unsupported charges are met with documented facts. For example he cites the record of the 100th Battalion in Italy, a battalion composed entirely of Nisei privates, with half of its officers Nisei and all of them volunteers. "That battalion came out of Salerno and Cassiono with 3 Distinguished Service Crosses, 21 Bronze Stars, 36 Silver Stars and 900 Purple Hearts--900 out of 1400 wounded in action.

It is time, therefore to emphasize the distinction between a patriot and a patriotear. A patriot is one who loves his country enough to take up arms in the defense of it and to die for it if need be. A patriotear uses patriotism as a shield behind which to hide his own selfish and unAmerican schems.

Faithfully your bishop
S. Arthur Huston

COLLECT

O most merciful Father who hast blest the labours of the husbandman in the returns of the fruits of the earth; We give thee humble and hearty thanks for this thy bounty; beseeching thee to continue thy loving-kindness to us, that our land may still yield her increase, to thy glory and our comfort; through Jesus Christ our Lord. Amen.

Stir up, we beseech thee O Lord, the wills of thy faithful people; that they, plenteously bringing forth the fruit of good works, may by thee be plenteously rewarded; through Jesus Christ our Lord. Amen.

IN THE MAIL-BAG

Harry K. Mayeda, Chicago Ill.....Dr. Yamasaki conducted church services at Arlington Heights yesterday. Mr. Fujimoto and a number of Chicagoans formerly from your church, all went to Arlington for the services. On the way home from Arlington they stopped over at the Moritas so it was a grand party and served to bolster the morale considerably.

May Yasutake, Cox Hall, Cincinnati, Ohio..... We've been quite concerned about Willie. He's been wounded in France, and they sent him to Italy where he is in the hospital now. We received one letter from him since the wire, and he sounded cheerful and assured us that it is not serious and not to worry. But of course we can't help but be concerned. Anyway, I'm glad that he is well enough to write letters himself and we should be thankful that it wasn't worse than it is.

Shigeko Kawano, New York, N.Y.....I am here in Columbus for one week attending the National Conference of our Council. It certainly has been a great privilege and and interesting experience being here among many distinguished leaders of the nation and also women from various parts of the nation. Have been very busy these past months, but will write more in detail when I return to New York.

Frank Watanabe, Elmhurst, Ill.....as we are, I mean I got back here rather in busy season, I am working every day since last Friday, therefore, I haven't a chance to visit Mr. Okawa or Dr. Ishibashi yet. I met Yoshiko at the WRA office, also Harry, Dr. Kuki and the Hagiwaras. As for us, I am looking and waiting for a chance to call my family as soon as I can find proper spot to live in.

Reverend Edward M. Vogt, Philadelphia, Penn.....
Recently, we had Dr. Thomas Yatabe and Miss Ruby Yoshino attend our Women's Auxiliary. The Doctor gave a very fine talk on the hardships of the American born Japanese in the west. The young lady sang some beautiful songs. She has a magnificent voice and all present appreciated what they did for us.

ACKNOWLEDGMENTS: The Church of the Holy Apostles gratefully acknowledges donations from the following: Mr. and Mrs. Jiro Aoki, Mr. and Mrs Frank Nemba and Mrs. S. Okawa.
